ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN (ESCP)

1. Lao PDR (herein after the **Recipient**) will implement the Lao Airlines Sustainable Development (“the **Project**”), with the involvement of the Ministry of Public Works and Transport (MPWT) through Lao Airlines State Enterprise (QV), which will be responsible for implementing the project, as set out in the Grant Agreement and the Project Agreement. The International Development Association (hereafter the Association) acting as the administrator of the grant from the United States Agency for International Development (USAID) through the Financial Management Umbrella Trust Fund (FMUTF), has agreed to provide financing for the project, as set out in the referred agreements.
2. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Association. The ESCP sets out material measures and actions, any specific documents or plans, as well as the timing for each of these. The ESCP is a part of the Grant Agreement and the Project Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreements.
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing training, monitoring and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments including Labor Management Procedures (LMP) and Stakeholder Engagement Plan (SEP) that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to Association. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.
4. As agreed by the Association and the Recipient, this ESCP may be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to the assessment of Project performance. In such circumstances, the Recipient through the MPWT and the Association agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Minister of the MPWT. The Recipient shall promptly disclose the updated ESCP.
